Florists' Best Friend—
Floral Delivery Trays

EASY LOAD NO SPILL LIGHT WEIGHT

NEW!
Nothing to wear out.

Floral Delivery Tray or Floral Carrier!

One carrier holds an average of 20 to 30 arrangements.

- Light-weight, high-impact plastic. Size 48" x 48". 33 lbs. pins included.
- Carrier is adjustable to any size (removing or adding blocks as needed).
- Large, flat surface, available by moving pins to storage at sides.
- No special places; load in the order you wish to deliver.
- No tip-overs or broken ends—saves load and unload time.

EUFLOVIA FLOWERS

Wholesale to the Floral Trade

Home • About Euflovia • Sales Information • Rose Gallery • Catalog • Farmers Market • Contact

WELCOME

Euflovia Flowers has been a premier grower of varietal roses for over six generations. Our flowers are of rare quality and performance, and are consistently recognized as the most beautiful and fragrant. Established in 1984 as Koch Mesa Nursery and renamed in January 2000, we pioneered and perfected hydroponic growing methods that enable Euflovia Flowers to set a standard for quality and innovation.

See Our Rose Gallery!

Florigene Moon Series

Florigene Moon varieties are an exquisite range of unique carnation varieties. The colour options flowers in absolutely incredible varieties, and offers the first industry new use for carnations. Always excellent in vase life, carnations can now be a consistent centre piece in bouquets. **FLORIGENE Moonstone™** and **FLORIGENE Moonlight™** are available while other varieties are reserved for standard types.

Florigene advertising and information material (all at no cost) may be freely downloaded and distributed to assist customers in their sales and educational activities.

SPECTRUM

Your Link to the Farms...

To get the best in new flower introductions and their characteristics (if that's your thing), as well as the grower information and website resources for all of these plants, visit our website periodically through regular updates.

Customer attention: In order to provide you with the most relevant content, we recommend you visit our website regularly. As the link to the farms, you'll receive updates, articles, and more from the farms.
